REQUEST FOR REMAILING OF OFFICE ACTION

Honorable Commissioner for Patents  
Washington, D.C. 20231

Sir:

Applicants are in receipt on January 4, 2002, of an envelop from the PTO marked "1 of 2" having the front page of an Office Action purportedly mailed December 28, 2001, but having attached thereto only a series of cited references.

Applicants have not received the Office Action itself.

As applicants' attorneys are located in postal zip code 20001, and as mail to that zip code is normally handled by the now closed Brentwood postal facility (due to the anthrax scare), and as two weeks have passed since the receipt of the citations, it appears likely that the Office Action itself ("2 of 2") has either been lost in the mail or has been significantly delayed.

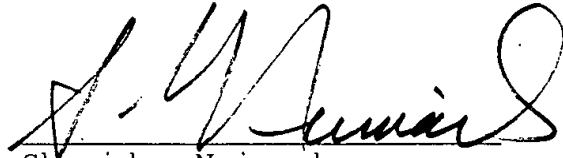

Remailed

see paper  
2.9

Applicant accordingly requests remailing of the  
Official Action with a new mailing date.

Respectfully submitted,
